Report to the members of the Operational Research Society of New Zealand

The Operational Research Society of New Zealand is responsible for the preparation of the attached receipts and payments statement.

I have examined the accounting records of the Operational Research Society of New Zealand. This included agreeing opening and closing balances to bank statements and a review of receipts and payments recorded.

The above Statement of Receipts and Payments for the year 01/07/2014 to 30/06/2015 is in agreement with the accounting records, which from my review have been properly kept.

Control over income and expenditure prior to its being recorded is limited, and there can be no practical audit procedures to determine the effects of this limited control.

Based upon my review, and subject to the limitations mentioned above, nothing has come to my attention that indicated that any of the information disclosed is incorrect.
