

## Treasurer's Report 2024

The funds available at the start of the period (1/7/2023) were \$66,599.94. At the end of the period (30/6/2024), the funds were \$65,214.08. There is a loss of \$1,385.86. There was a total income of \$12,410, and expenditure of \$13,794.

The 2023 conference brought in a total of \$9,187.69, including registration fees and sponsorships, and cost \$10,159.99 in catering and prizes, making a loss of \$972.30. As in previous years, we continued to have zero annual subscriptions fees. New members joining the Society (typically via the conference) pay a one-off entry fee for their conference registration.

Other major expenses were the Website redesign, which cost \$2,817.50, and hosting costs of \$556.93.

\$53,608.58 was held on term deposit at the end of the financial year. It is continuing to be rolled over every 180 days. The interest of \$2,757.07 earned was higher than in the 2022/2023 period. This may reduce in the coming years.
