

Treasurer's Report 2025

The funds available at the start of the period (1/7/2024) were \$65,214.08. At the end of the period (30/6/2025), the funds were \$74,498.05. There is a gain of \$9,283.97. There was a total income of \$20,949.52, and expenditure of \$11,666.35.

The annual conference accounts for 82% of the income, and 97% of the expenditure. The 2024 conference brought in a total of \$17,221.20, including registration fees and sponsorships, and cost \$11,353.17 in catering and prizes, making a profit of \$5,868.03. As in previous years, we continued to have zero annual subscriptions fees. New members joining the Society (typically via the conference) pay a one-off entry fee for their conference registration.

\$56,763.38 was held on term deposit at the end of the financial year. It is continuing to be rolled over every 180 days. The interest of \$3,154.8 earned was higher than in the 2023/2024 period. This may reduce in the coming years.
